

Notices and Dates for Your Diaries—Friday 3rd March

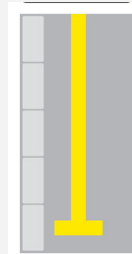

Road Safety

Some of you may be aware that two children were injured by a car on the way to school last Friday. Thankfully, they are both okay. In order to help prevent similar incidents happening in the future, the school has raised the issue with the council who has explained that they have been advertising for a new crossing patrol since October but have been unable to appoint. So, if you know of anyone who would be interested,

please share the attached flyer and feel free to circulate it. Also, this week we had a road safety assembly to educate all of the children about how to be safe on the roads.

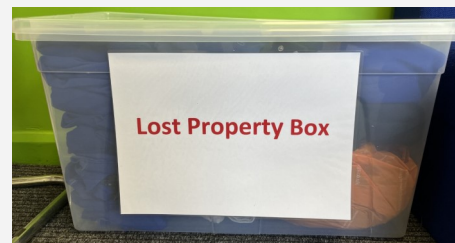

I would also like to use this opportunity to remind all adults who drive to school about the road markings at the front and back entrances of the school which are designed to keep our children safe. Please do not stop or park on them (even when dropping children off to school).

Lost Property

Last half term we cleared all of the lost property in the school but we have filled a large box over the past two weeks. There is a large amount of unnamed jumpers, coats and even a pair of shoes! Please do come to reception where you can look through lost property and claim any items your child has lost.

Please can we encourage you to name all items. It is very hard to return items to their rightful owners when they are not clearly named.
